

GE Hitachi Nuclear Energy

Nuclear Power Plants

- Generation III Advanced Boiling Water Reactor
- Generation III+
- Simulator & executive training and consulting

Nuclear Services

- Reactors, turbines & balance of plant
- Life extension
- Power uprates
- Performance services
- Outages and inspections

Fuel Cycle

- Boiling water reactor & mixed oxide fuel
- GE Hitachi Canada Candu fuel & handling equipment
- Fuel engineering services
- Nuclear isotopes

Global Laser Enrichment

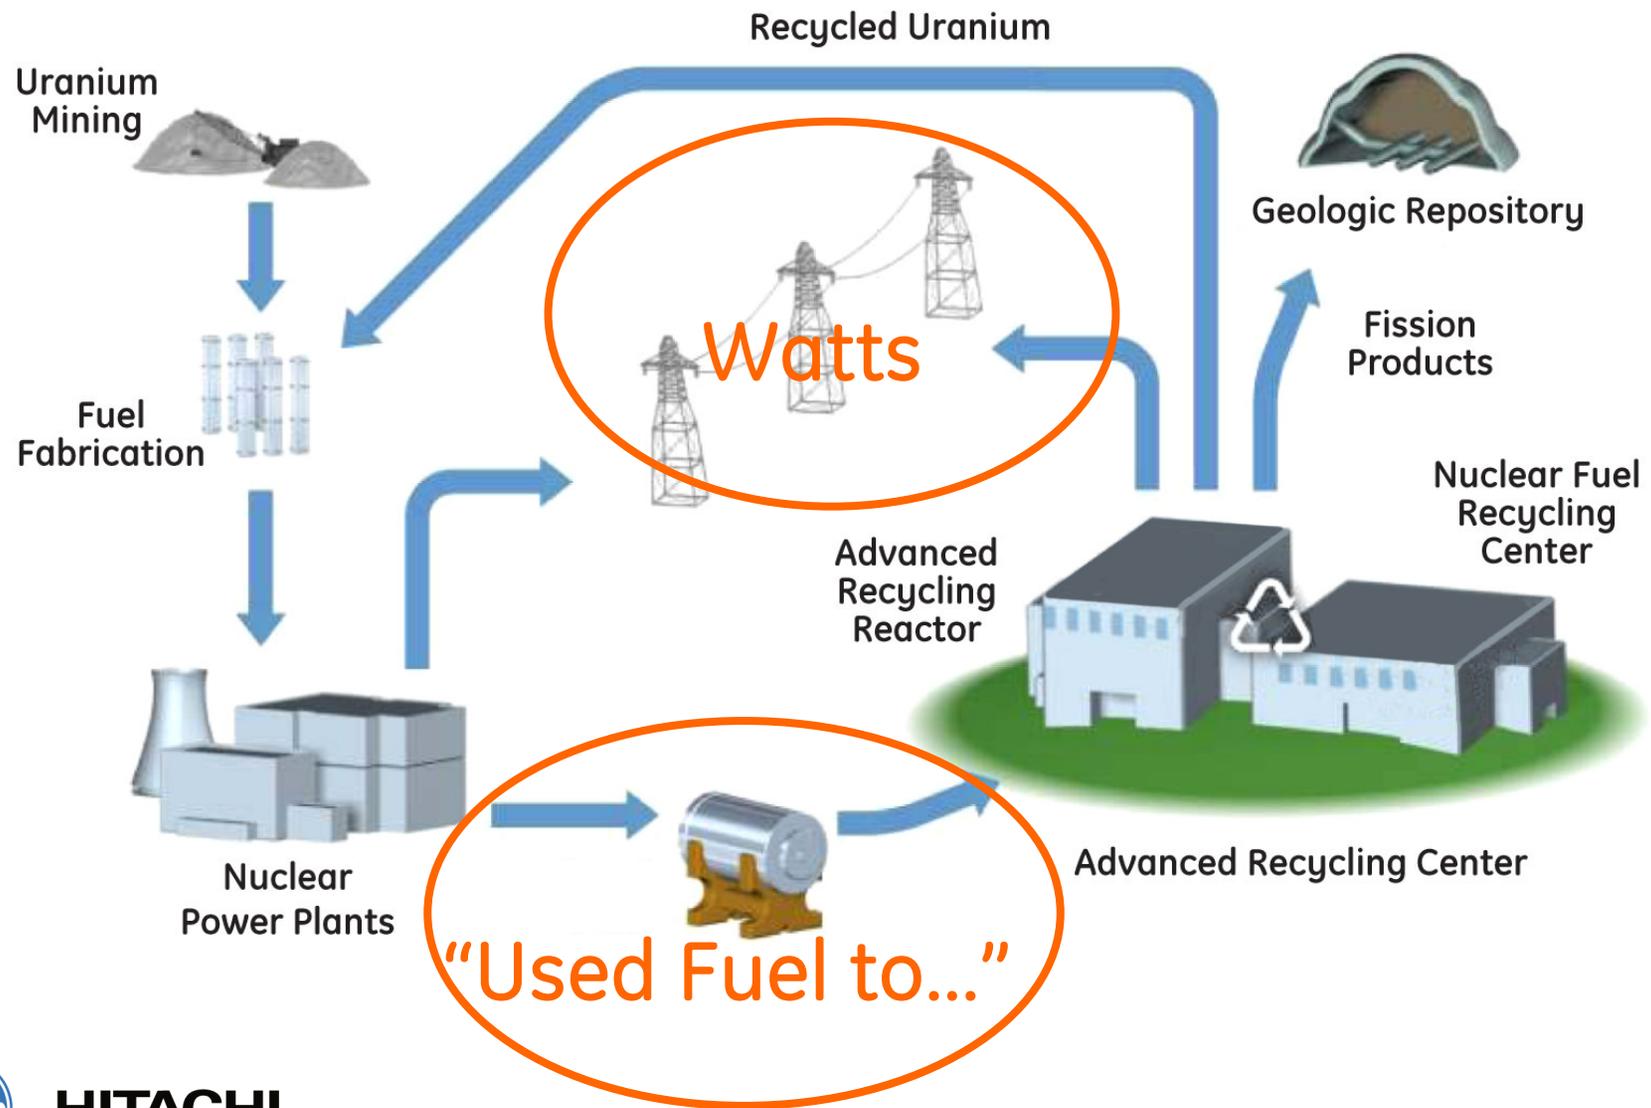

- Enrichment of natural uranium
- Enrichment of tails

HITACHI

Full recycling - "used fuel" into watts

HITACHI
